ROUND 5

CLUB WELCOME

Welcome to issue 6 of the Nelson Suburbs FC “Blue Review” weekly magazine.

It was fantastic to see all our Junior and Youth players back on the grass on Saturday morning, thanks to all our amazing coaches who have volunteered to take a team this year.

First Kicks and Fun Football also kicked off at Saxton, thanks to Nic and the first team players for coaching and to Logan for running the fun football games.

It was great to see so many supporters at the club on Sunday for the two games. Our Women's team put on a great performance and got 3 very important points with their 4-2 win over Unis, well done to Neil Harding, Phill Platt and the players. Despite a much improved second half performance, unfortunately the Men's team

suffered a tough 1-6 defeat to a classy Cashmere Technical side. The lads will look to bounce back away to Nomads.

Make sure you download the CLUB APP, which is a one stop shop for all things football, plus you will be able to use this to claim membership rewards and discounts at local businesses.

Finally, we would like to thank all our amazing sponsors and partners who provide amazing support to the club. Keep an eye on our social media for announcements.

Phil Williams
Club Manager

SPL COACH'S COMMENTS

This week we are away to Nomads United and we are looking forward to a great game against Matt and his team.

Nomads are a young side with quality players, and we will need to be at our best to get the 3 points.

After a disappointing performance against Cashmere Tech, where we just didn't get going and made too many mistakes, the boys will look to get our season back on track with a good win in Christchurch.

The boys have worked hard all week, and we are well up for this game.

Also, I'd like to wish the best of luck to all our club teams this weekend and also a massive thank you to all our club sponsors for their ongoing support.

Skippy
Men's SPL Coach

WPL COACH'S COMMENTS

The coaching staff and the team are ecstatic about their phenomenal victory against Canterbury University, triumphing with a score of 4-2.

The team delivered an outstanding performance, demonstrating their relentless effort and determination. We urgently needed those points, and we worked tirelessly to achieve them. If we maintain this momentum, we will be in excellent shape.

The backline was exceptionally well-organized, effectively shutting out the opposing team for the majority of the game. The midfielders exhibited remarkable work ethic and movement, creating numerous opportunities for scoring. Moreover, we scored some remarkable goals. Congratulations to Abi Platt for being named player of the day, your positional play was outstanding, and your brilliant

goal was a testament to your exceptional skill.

Well done to the reserves for yet another impressive win. Both teams have shown great promise, and we are grateful for the unwavering support of our sponsors and local fans. It was encouraging to see such a large turnout at Saxtons, cheering on the girls.

We will continue to work hard on the grass, rigorously preparing for our upcoming matchup during this bye week.

HIGH LEVEL WOMEN'S FOOTBALL BACK FOR

Nelson Suburbs Football Club is bringing high level women's football to the Nelson/Tasman region again for 2024 and are currently playing a round of games in the South Island Qualifying League. The girls have two more games left against Cashmere Technical and Selwyn, in order to secure qualification into the South Island League. The team was formed at the start of the 2023 season.

A huge amount of work has gone in behind the scenes to get the team ready again this season. The club has appointed head coach Neil Harding and assistant coach Phill Platt. Neil and Phill have worked hard to build a squad that plays attractive football.

Club director of football Ryan Stewart says the club is proud of the football pathway it has created for female players, "The pathway ensures long term sustainability and that there is a flow of players from junior, youth, academy and reserves so the club's and region's talented players get an opportunity to test themselves against some of the country's top teams."

Neil Harding says "the coaches have been impressed with the players attitude, dedication and hard work at trainings and these qualities have helped with match day performances, where we have competed well against good quality opposition".

Club manager Phil Williams also added "The formation of the Women's 1st team would not have been possible without the amazing support of our sponsors. Phil Smith of Golden Bay Football Club has personally sponsored the team as principal sponsor and asked for Hope is my Homeboy, a mental health charity, to feature on the front of the playing shirts. Fusion Plumbing and Solar, Q2B Healthy and Spark Business Hub Tasman are gold sponsors and Miki D's Gym and GRACO car seats are also on board as silver sponsors. Along with our team sponsors we would also like to thank all our amazing player sponsors. The support for the team has been fantastic."

The team plays its final SIQL home game against Selwyn on Sunday 26th May.

FIRST KICKS & FUN FOOTBALL

Our First Kicks and Fun Football kicked off on Saturday morning.

This year we have 75+ players registered for First Kicks and a big thanks goes out to Nic van Hattum for organizing and running the programme this year and he will be helped by our Men's and Women's 1st team players.

We have 31 teams competing in our Fun Football games, with teams from Suburbs, Richmond, Wakefield and Mapua. Thanks to Logan for setting up and running this on Saturday mornings.

SENIOR FOOTBALL

This year our Suburbs Athleticco will compete in Division 4 with a change in staff seeing the departure of the Chalmers brothers who have run the team for the last 4 years.

The brothers have been offered part-time playing roles. This year new gaffer Josh Gibb has the lads working hard at training and will look to win the 4th Division Title and Cup double.

On Saturday the lads faced the Wakefield 2nd XI and a 4-1 win puts them joint top of the league with 3 wins from 3, level with FC Nelson. Athleticco went 1-0 up in the first half thanks to a Reuben goal. The second half saw more action in

front of goal with Dylan scoring followed by a well taken penalty by Reuben.

Wakefield responded to make it 3-1 before Dylan dinked the keeper for his brace and secured the win.

The lads have a big game this week against FC Nelson and will look to top the league at full time.

JUNIOR FOOTBALL

Our 10th Grade Karearea are coached by Rob Hutterd.

On Saturday they played out a thrilling 2-2 draw against Wakefield.

Rob was stoked with how everyone played, everyone was exceptional, and should all be very proud of themselves!

Karearea player Oliver said "it was the best game he's ever played, he loved it and the new team. The goalies did so well too! Everyone deserved player of the day!"

Play of the day = Zach for his jump save in goal!

Attacker of the day = Oliver for his sideline runs and attempts at goal.

Defender of the day = Knixon for first half goalie and defence on the field second half.

Goals by Oliver and Max.

We look forward to seeing how the team develop this season.
