# PRESIDENT'S WELCOME

**This weekend we extend a warm welcome to our Mediterranean neighbours, Wellington Olympic, and their supporters from across the park.**

The Sharks are thrilled to be back on home turf, in front of our loyal supporters, following a long day last Sunday in our away match to Napier City Rovers. The result didn't go our way at 3-1 to NCR but the team remained competitive against a strong team in the top 3. We know it'll be another tough match today!

We are super excited to launch our junior teams into their season this Saturday and Sunday. Jenna, Frances and Robyn have done an amazing job welcoming back current and inducting new families into our junior club, placing almost 600 juniors into teams. They have been supported by our outgoing Junior Gear manager Di and trainees Vanessa and Sarah. A big thanks to this dedicated team of volunteers, please remember to appreciate them for

the hours they contribute to our club.

A heartfelt thanks also to all the junior parents who have stepped forward to coach, manage or referee a junior team this year. We appreciate the effort that goes into these roles, we couldn't do it without you - you reflect our strong community spirit at IBU!

All the best to all our teams playing at home and away this weekend, we are looking forward to some exciting results...and a special Fins Up to our junior sharks kicking off today and tomorrow

# COACH'S COMMENTS

---

**As we gather before our clash with Olympic FC Wellington, who are currently one of the top 4 teams in the Central League, I extend a sincere welcome to our opponents and their coaches Ekow Quaindo and Paul Ifill.**

Let us approach this match with grace and focus on the beautiful game before us. I call upon both teams' supporters to uplift our players and show respect to both teams and the referee throughout the match. May the spirit of fair play and camaraderie prevail on the pitch today.

Reflecting on our phenomenal effort in our last match against Napier, it's evident that our team embodies the values of strength, resilience, integrity and tenacity. Though Napier proved to be a formidable opponent, our players embraced the challenge with determination and passion. We went one-nil up, and remained in the game for long periods, showcasing our unwavering belief and willingness

to work hard as a unit. While Napier may have emerged as the victors on the day, our resilience and fighting spirit kept us in contention, serving as a testament to the character of our IB team.

With our heads held high and fins up, let's carry this same determination into today's match and show Olympic FC Wellington what Island Bay United FC is truly made of.
